Meeting in Italy in June 2014

Dear host parents,
I just wanted to thank you for giving me the chance to travel to Italy. I'm very excited. By the way I'm Adrian. I actually come from Cuba, so I can speak Spanish. Maybe it is possible to understand each other by speaking our languages. I absolutely love Italian food so I'm ready to help you in the kitchen. I'm very fascinated by the Italian culture and mentality, absolutely lovely. I'm just waiting to meet you. Again thank you very much.

Sincerely yours, Adrian

I'm Ina.
In my free-time I play soccer and I have 3x a week training. I am also a soccer referee. At school I help kids from grade 5-7 with their homework. My interests are also talking with friends about politics. I like meeting my friends and we play together e.g. tennis, badminton and table tennis.

I am looking forward to meeting you soon, Ina
